

## **ECHO WORK PARTY**

One of the two annual work parties at Echo Summit Lodge offers an opportunity for existing members to honor a work expectation for the year and for prospective members to satisfy a required work event.

These parties are held in the spring to prepare for summer activities and in the fall to prepare for winter. They are lots of work, but also lots of fun. Good food, meeting new people, and great social times highlight the weekend. Call the Host below to arrange a reservation for our Spring Party.
