Action Items

Retention of Documents- Bill Mayers & Mark Sapiro – Nothing to report yet. Discussion involved historical and financial documents. Keep on next meeting agenda

New Member Protocol -Jay Gustafson – Currently Bev Leve handles all responsibilities of answering prospective member questions about joining, receiving applications and checks, getting new member names to the board for approval and the Registrar for the roster. There is a need for new members to be assisted in having more information available to them as they transition from joining to becoming more active members. There is a gap in obtaining knowledge about the Club, activities and the Lodges.

A lengthy discussion ensued about what is needed and how to do it. A motion was made for Jay and Mark to establish a new Membership Outreach committee to address the need for more information about the club. Jay will come up with an initial 3 members to start the outreach with preliminary tasks to telephone new members to welcome them and provide answers to the most common questions. Moved/Approved: Margy/Jim

Conference call equipment-Jay Gustafson – Thanks to Garrett Hill, equipment has been acquired. Equipment will be available for committee, trustee and board meetings when more than one person cannot be present. Alpine phone number will be used: 415-380-8250

Children's Holiday Party at Alpine Lodge – Ann Meneguzzi thanked CAC Board members and Alpine Lodge Trustees for sponsoring this annual event. Without their generous support it would not happen.

Ann also showed 2 new Alpine Club banners for the lodges which she is donating to the club (she received them as a Christmas present).

Reports/Discussion

Sign restricting weapons/ resolution - Discussed. It was determined that no action is needed or taken.

Purchase Yeti Ice Chest - A high quality, bear proof ice chest is needed for official Club outings. Discussion was held on possible sign out process and safekeeping procedures. Price to be approximately \$350. Moved/Approved: Mark/Jim

Meeting was adjourned at 3:10 pm

Next Meeting Saturday, February 20 2016 at Alpine Lodge

I certify that this is a true copy of the Minutes of the January 23, 2015 meeting of the Board of Directors of the California Alpine Club

Respectfully submitted,

margy Eller

Margy Eller, Board Secretary

California Alpine Club Board of Directors Meeting and Membership Meeting Treasurer's Report January 23, 2016

Revenue from Operations

Fiscal year 2015 9 month's revenue was \$ 116K, \$ 7K lower compared than FY2014. Alpine Lodge was lower (\$ 9K). Echo Lodge was higher \$ 6K. CAC was lower by (\$ 3K).

Expenses

Operating expenses were lower by \$ 2K from last year at \$ 94K.

Operating Income

The operating income for the first half is \$ 21K versus \$ 26K for the same period last year. The combination of lower revenue (\$ 7K) and lower expenses \$ 2K combine for this (\$ 5K) difference. We anticipate higher operating results in the fourth quarter due to Echo Lodge earnings in Q4 given improved ski conditions from recent years combined with 2016 CAC dues which are largely collected in Q4 (Jan, Feb, Mar 2016).

Budgets

The net income shows a bottom line of \$ 9K (9 months) vs. the budget of \$27K (full year). This should improve in the fourth quarter for the reasons noted, and achievement of the budget is likely, but not a certainty.

Solvency

Cash and investments are in good shape with a 9 month balance of \$ 444K versus prior year balance of \$ 407K. The budget for FY2015 is \$ 464K.

Tom is the lead trustee, and will run most, but not all, of the work parties. He will coordinate actions between the trustees and the board. Tom will be liaison with the fire department, the insurance company, and with Marin County permit office for any permits needed.

Barb will be right there helping Tom as her schedule permits.

Garrett will be Secretary. He will also be part of the design committee to plan new ideas for the main Lodge, the Tam building, and the kitchen. Garrett will be in charge of getting digital locks for the front doors of the 2 lodges, and having the rest of the locks rekeyed.

Donata will take over the job of scheduler that Russ Toran performs now. Russ will spend time instructing Donata on how scheduling for Alpine works.

Carl, who lives closest to Alpine, will be our 'go-to' trustee. When something is needed immediately or there is a problem at the Lodge, Carl will deal with it if he's free and available.

Plans for Alpine: Tom Coleman has already visited the permit dept once, and will make the trips necessary to get permits for a new bathroom on the bottom floor of the Tam building. Jerry Wagner has given Tom sketch plans, and hopefully will continue to help, offering his services 'pro bono'.

Trustees have had discussions about other work we want to do to spruce up the two buildings. We will formulate a plan, and run our ideas by the board when we are ready to proceed with a project.

- Rates were increased effective January 1, 2016, for Spontaneous Rentals and Private Events by \$2 per night to \$20 per night for Fri-Sun nights, and \$15 per night Mon-Thurs nights. With the increased rates, we have also changed our policy to include use of the Echo Lodge pantry and housekeeping inventory supplies in the daily rates.
- With El Nino Echo Lodge has been blessed with a lot of snow for the first time in 3 years. It is wonderful that so many CAC members and guests will have the opportunity to enjoy the winter season at the lodge.
- The next Echo Trustee Meeting will be Tuesday, February 9, 2016, 5:30 pm, by teleconference.

CAC OUTINGS COMMITTEE REPORT January 2016

In August 2015, Bob Hanson led a basecamp trip to the Sierras, during which he encouraged the participants to form a new CAC Outings Committee, as Carlos Miranda needed to step down as Outings Chairperson. All agreed and began discussions of various programs that might interest the membership.

Ruth Tretbar and Renee Hamilton volunteered to co-chair the committee. Committee members include Bob Hanson, Julie Batsel, Bonnie Blackaller, Mary Cahill, Dianne Klemmic, Mary Larkin-Berlinski, Stefan Berlinski, Jan Lockie, Vicki Olds, Hubie and Roxy Schaefer, Ann Schubert, Tom Swaine, and Ricia Wise.

The goal is to create outings that would interest the various demographics of our club, with programs that range from family outings and weekend getaways to longer and more challenging adventures. Following are trips currently planned for 2016. The committee member taking the lead on each activity is listed in parentheses. Each outing may have a second committee member helping with logistics or acting as on-site host.

- April 22-26: Car camp at Sunset State Beach with kayaking in the slough, and hiking at Wilder Ranch and Soberanes Ridge (Mary Berlinski organizer). This is a great time for wildflowers and catching a glimpse of whales on their way back north. Details confirmed and will be published in February Trails.
- May 25-30: Car-camp and day hikes in Sequoia National Park/Kings Canyon area (Mary Berlinski organizer). Mary has already spoken to the rangers who confirmed the last week of May campgrounds should be snow-free. Details confirmed and will be published in February Trails.
- Spring: Weekend canoe/kayak trip on the Russian River (Ruth Tretbar organizer).
 Arnold Champagne has agreed to be onsite leader. Once we know how El Nino will effect river levels, we can confirm a date.
- August 10-14: Base-camp mule trip to Sabrina Lake during the Perseid meteor shower, which peaks August 13 (Julie Batsel and Mary Berlinski coleaders). This will be a 5-day hiking/camping trip, with gear brought in by mules. Confirmations and deposits in process. Details will be published in March Trails.
- November 11-15 (tentative): Point Reyes hiking trip with a stay at the Point Reyes Youth Hostel (Vicki Olds organizer). Our plan is to reserve their new bunkhouse addition (sleeps 20). Opportunities to explore Abbots Lagoon, the Lighthouse, Drakes Bay Estero, McClure's Beach and the Tule Elk Reserve. Breakfast and bag lunch provided, dinner free to try various area restaurants or use Hostel kitchen facilities for individual/small group meals. Cost and reservation information to come in the March Trails.

• Early December: A weekend in Monterey to enjoy "Christmas in the Adobes," an annual event that benefits the Monterey State Historic Park children's educational programs (Ruth Tretbar, Tom Swaine co-organizers). The 2016 dates have just been published. Reservations are in progress and details will be published in the March Trails.

The committee is interested in hearing from club members what they would like to see among the outings offered by the California Alpine Club. The article for the February Trails will invite members to contact Renee Hamilton (renee@fallbrook.net) with their wish lists of outings they would like to see in the Trails calendar.

We would also like to invite members to volunteer to lead trips to locales they know and love. Other opportunities might include inviting members to volunteer their expertise for a themed outing. For instance, a member with an astronomy background could lead a camping trip with a nightly discussion and "tour" of the constellations. Outings Committee members will be available to help with the logistics of reservations, payments, etc.

Possibilities abound. Stay tuned!
