CONFIRMED - Registration to California Alpine Club Website

Welcome to the website. Please go to californiaalpineclub.org, then select Members from the gold menu bar. Log in with:

username of CACmember1913
password of CAChikers1913

Please note that both are case sensitive. This log in information is used by all of our CAC members. This is what allows you to view the members-only pages. Please do not share with non-members or members. All members need to register, as this is part of updating our membership roster.

Your computer will probably remember the log in information, but you may need to re-enter on certain conditions like closing your browser or after a computer shutdown.

Enjoy!

Website Registration Team

Denied - California Alpine Club Website Access

We are sorry, but you must be a member to access our member pages. If you are a member, please contact our membership committee at membership.cac1913@gmail.com.
