- To explore, enjoy, and protect the natural resources of our land, including wildlife, forests and plants, water and scenic values;
- To support and promote educational programs on these and related subjects;
- At all times to protect and, as far as we are able, improve the environment in which we live; and
- To strengthen a sense of community among our Members and Associate Members.

GENERAL INFORMATION

The California Alpine Club (CAC) is an outdoors-oriented social club with special interests in outdoor education and environmental protection. CAC is active in local conservation works and the **CAC Foundation** makes annual grants to support numerous environmental causes. CAC offers an interesting variety of travel outings along with events and activities centered at its two historic Lodges. Both Lodges have kitchens, private bedrooms, and dormitory facilities that are available for the use of Members and Associate Members. Club activities are listed in our newsletter, TRAILS, which is published 10 times each year and are posted on our web site calalpineclub.org. The Lodges are available to Members (as scheduling permits) for private accommodations, weddings, business meetings, and family reunions. Total membership is under 1000. The Lodge is available for the use and enjoyment of our Members. It is not available for public rentals. ECHO SUMMIT LODGE is located at the summit of Old Meyers Grade, on the rim of the Lake Tahoe Basin, one mile from U.S. Hwy 50 at 9010 Johnson Pass Road. The phone number is **530-659-7274**. It is a large, comfortable, year-round mountain lodge in the Sierra Nevada, elevation 7,365 feet. The Lodge commands a superb view of Lake Tahoe and surrounding mountains. Forty thousand acres of rugged granite peaks and the alpine lakes of Desolation Valley Wilderness Area are within easy walking distance, and Echo Lake, a mile from our Lodge, is a delightful place in the summer for swimming, fishing, and boating. In winter, the area excels for ski touring and snowshoeing. Nearby well-known downhill ski areas include Heavenly Valley, Sierra at Tahoe, and Kirkwood.

MAINTENANCE & OPERATION

Members, on a volunteer basis, perform the management, maintenance and operation of both Lodges, insofar as possible.

MEMBERSHIP EXPECTATIONS

In order to maintain our cooperative's low prices, members are expected to contribute to Club operations, in some way, at least once a year. Alpine Lodge has mid-week and Sunday work parties. Echo Lodge has periodic multi-day work parties. Coordinating a major event, cooking a large dinner, editing our TRAILS newsletter, fulfilling a leadership position, participating in special projects, etc., also satisfies this work obligation.
