THE PURPOSES of this Club are:

- To explore, enjoy, and protect the natural resources of our land, including wildlife, forests and plants, water and scenic values;
- To support and promote educational programs on these and related subjects;
- At all times to protect and, as far as we are able, improve the environment in which we live; and
- To strengthen a sense of community among our Members and Associate Members.

GENERAL INFORMATION

The California Alpine Club (CAC) is a non-profit, outdoor-oriented social club with special interests in recreation, self-reliance, and conservation. The CAC Foundation (CACF) gives annual grants to support local environmental causes in the San Francisco Bay Area and Lake Tahoe regions. Donations to CACF are tax-deductible. Year-round, CAC members organize domestic and international travel outings as well as social events and activities at our two historic lodges. Both lodges boast professional kitchens, private bedrooms, dormitory facilities, and spectacular locations. More information can be found in CAC's newsletter, *Trails*, and at www.calalpineclub.org. CAC has approximately 500 memberships and 700 members. Family memberships are encouraged.

ALPINE LODGE is located on the south slope of Mt. Tamalpais, at 730 Panoramic Highway, Mill Valley, California 94941 (about a quarter mile from the Mountain Home bus stop), 415-388-9940. The lodge is available for the enjoyment of our Members and their guests; it is not available for rent by the public. Every Sunday from 9am-3pm, Innkeepers host Sunday Open House, offering hospitality, refreshments (for a nominal fee), and a tour of Alpine Lodge.

ECHO SUMMIT LODGE is perched on top of Old Meyers Grade, along the south rim of the Lake Tahoe Basin at 9010 Johnson Pass Road, about a mile off U.S. Hwy 50; 530-659-7274. This year-round mountain home with commanding views of Lake Tahoe and the surrounding Sierra Nevada mountains sits at an elevation of 7,365 feet. The Pacific Crest Trail and the alpine lakes of Desolation Wilderness are within easy walking distance. Echo Lake, a mile from our lodge, is a delightful place in the summer to swim, fish, and boat. In winter, the area excels for ski touring, sledding and snowshoeing. Nearby well-known downhill ski areas include Sierra at Tahoe, Heavenly, and Kirkwood.

MEMBERSHIP EXPECTATIONS

CAC lodges are maintained and operated by the membership. In order to keep our low, co-op prices, Members are expected to contribute to Club operations at least once a year. Alpine Lodge holds mid-week and Sunday work parties; Echo Lodge throws bi-annual, multi-day "fun and work" parties. To coordinate a major Club event, host at Echo Lodge, cook a large dinner, coordinate the clean-up for Club events at Alpine Lodge, edit our TRAILS newsletter, proofread CAC documents, fulfill a leadership position, join a committee, and organize a wilderness hike or camp-out are just some of the other ways to satisfy this annual work obligation.
