

CONFIRMED - Registration to California Alpine Club Website californiaalpineclub.org

First message after registration:

We have received your request for access to the California Alpine Club website and will review it as soon as possible. You will receive login instructions upon approval of your account.

After Approval:

Your website username and temporary password is listed below.

username: [username]

password: [password]

IMPORTANT: Use this username and password to:

1. Reset your password by clicking on this link:
[members-area]
2. Select "Change Password"
3. Reset your temporary password with one of your own choosing.

Please help us keep our site secure by using a unique password known only to you, and do not share it with others. Keep a copy of your user name and password in a safe place.

If problems contact us at ***support@californiaalpineclub.org***

Your computer will probably remember the log in information, but you may need to re-enter on certain conditions like closing your browser or after a computer shutdown.

Thanks for registering!

Website Registration Team

Denied - California Alpine Club Website Access

We are sorry, but you must be a member to access our member pages. If you are a member, please contact our membership committee at membership.cac1913@gmail.com.
