SANTA'S COMING TO ALPINE LODGE SATURDAY, DECEMBER 10

Better watch out--it's just a few days until this year's Children's Christmas Party at Alpine Lodge on Saturday Dec. 10 from 2-5pm. The kids will pout if they miss the fun! CAC's annual celebration for kids and their families is the merriest of the year!

Once again the Lady Elf will be there to make balloon toys for the kids; soon after Music Man Tim Cain arrives to entertain all ages with song and laughter. Then Santa pays a visit to reward good boys and girls with holiday gifts. Don't forget to bring a wrapped present with each child's name on it for Santa to give.

The Club will provide light fare of baked ham, rolls, and beverages. Each family should bring a favorite appetizer, side dish, or dessert for the potluck buffet.

Mary Frey is still taking reservations but needs to know that you're coming ASAP! Party reservations are \$30. This amount covers two adults and the family kids. It's \$10 for each extra adult. Send your check right away to Mary Frey 100 Thorndale Drive, #251, San Rafael, Ca 94903.

For more information, email Mary at marymaryhiker@aol.com or call 415-492-2510. If you can help cleanup after the party, please let Mary know. It won't take long with willing help.

CAC HOLIDAY PARTY SATURDAY, DECEMBER 17

Please join us for a wonderful holiday dinner. Our renowned chef, **Tim Warden**, and his sous chefs will be preparing dishes that will surely satisfy your culinary tastes. The menu includes prime rib, roasted squash, German butterball baked potatoes, roasted veggies, salad, and dessert. Wine will be available by donation. To round out the meal we will need hors d'oeuvres provided by you. Also, we'll have a dishwasher but will need some helpers in the kitchen after dinner.

The cost for the party is \$22 for members. Overnight stay with continental breakfast is \$25. Non-members pay an additional \$10 Associate Member dues, which covers both events. Happy hour will begin at 5pm and dinner at 6pm.

Make checks payable to **Eva Libien** and mail to #2 Eucalyptus Knoll St., Mill Valley, CA 94941. Eva can be reached at 415-383-5184 or email her at elibien@yahoo.com. Reservations must be received by December 12. Please let her know how you can volunteer to help, and the hors d'oeuvres you can bring. We can only accommodate a limited number and it's always a sellout, so book early.

PRESIDENT'S MESSAGE

Muddy boots at the front door signal more than politesse, it beckons one to the mountain and the sounds of the creeks beginning their seasonal concerts ... have ya heard it yet? We Northern Californians seem to mark life with the changes as much with the digital calendar as the symphonies on the mountain; our drought memories of dusty trails shift to the sounds and smells of winter's beginnings on the mountain. 'Tis the season of gratitude ... include your environs, especially your mountains, this year!

There's so much going on in December at our lodges. Check the calendars and show up either to enjoy or to serve, it's your Club, ya know.

At Alpine Lodge, come enjoy the kid's party on December 10—always a giggle— then join members for another Eva Libien produced, Tim Warden gourmet dinner celebration on December 17 for our annual Holiday Party. Remember, there is more and more demand for booking the lodge for an overnight before or after these events (and others), which enlarges our event participation with those who live outside the Bay Area, meaning more friends to have fun with!

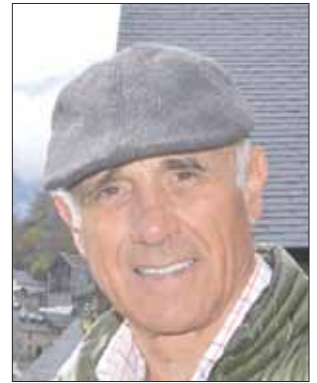

On December 31, John Mullen is hosting a New Year's Eve party at Alpine Lodge and the traditional New Year's Day Soup & Salad Lunch and your first hike of the year on Mt. Tam.

On January 21, we have our semi-annual New Members Welcome "Fiesta" Luncheon at Alpine Lodge, along with a Membership and Board meeting to which you are cordially invited. It's a day for a great hike, lunch with new and current members, and a chance to listen in and add to our meetings (see article on page 3 for details).

Be sure to check out the Echo Summit Lodge schedule for a slew of fun events planned in December and January— come out and enjoy the snow!

Also, this is good time to think about your 2017 contribution to CACF. We value your input, your adventure ideas, your service to ongoing events, and your suggestions for more give-back to our mountains. We intend to survey you on these other matters in the new year, so begin now with your thinking and suggestions.

HIKE AND 'FIESTA' LUNCHEON AT ALPINE LODGE SATURDAY, JANUARY 21, 2017

Current and new members are invited to participate in **FIESTA**, a day of activities to acquaint current members to the Alpine Club and to welcome our new members. Activities will begin at 9am on Saturday, January 21, 2017. Join us for a hike (weather permitting), a roundtable Q&A with the CAC Trustees and Board members, and a luncheon to welcome members who have joined since July 2016. Members are encouraged to stay for the CAC Board meeting at 2pm and the membership meeting at 3pm.

Don't miss this opportunity to mingle with new and old friends, get the latest updates on the Alpine Club, have your questions answered, and enjoy comida muy buena. Chef **Tim Warden** will prepare enchiladas, arroz, ensalada, and a sweet treat for dessert.

Candy Barnhill will take reservations for lunch for \$12. New members who joined the Alpine Club between July 1 and December 31, 2016, will be guests at this event and will not pay for their lunch. Please RSVP to Candy by Thursday, January 19, at 319-631-9110 or Wheejeepfun_cb@aol.com. Send your check payable to Candy Barnhill to PO Box 753, Ashland, OR 97520.

Volunteers are cordially requested to bring hors d'oeuvres and to assist with luncheon preparations and clean-up.

Our hike (weather permitting) will begin at 9am, hors d'oeuvres and Q&A will be at 11:30am, lunch at 12:30pm, and group dishwashing gala at 1:30pm. The CAC Board meeting will convene at 2pm, followed by the Membership meeting at 3pm. For members wishing to overnight, the cost is \$21 for members and \$31 for guests. Please let Candy know if you plan to spend the night. Mark January 21 on your calendar and join us for *Fiesta*!

Different Hikes for Different Types:

Our Weekly Tradition for Sunday Hiking

The 2B hikes depart from the Alpine Lodge at 9:30am. These hikes are 7-10 miles long and up to 2,000 feet elevation gain. On days shown as leaderless, the hikers will decide on their own route after convening at the lodge.

Informal, slower paced 1A hikes depart from the Alpine Lodge at 9:45am. These hikes are 5-6 miles and up to 1,000 feet elevation gain.

If you are interested in leading a 2B hike shown as open, please e-mail Pauline MacDonald. For information on the 1A hikes call Edie Nelson.

We suggest bringing a sandwich (or something) for a trailside lunch and a liter of water. All hikers should have prior hiking experience and be able to hike at a moderate pace (i.e., approx. 2 miles per hour). The hikes usually finish at the Alpine Lodge around 2:00-2:30pm.

Note: If you hike in front of the leader and are not at the stated destination when the leader arrives, the leader will consider you are no longer on the hike.

Hello fellow Alpine Club Members!

I am the Innkeeping Coordinator (recruiter & scheduler) for the Alpine Lodge Sunday Open House. Please, would you consider signing up to be the Innkeeper(s) on a Sunday of your choice and selecting one of the dates shown below as OPEN - or any Sunday after that. It is a great way to spend a day at our beautiful Alpine Lodge while at the same time fulfilling a portion of your volunteer responsibilities. You need not be host trained to serve as Innkeeper(s) and I can provide you with a list of brief instructions/ suggestions which outline what the Innkeepers traditionally have done. Also, if you don't wish to serve alone (you are a new member for example) consider serving together with another member – and co-innkeep!

Please note that as soon as I get a new volunteer innkeeper it is immediately post to the calendar on the Club website, californiaalpineclub.org. So that is a great place to start when considering being an innkeeper—find an OPEN date in the online calendar and then contact me. Please call me to reserve a date or provide feedback (916-690-1828) or better yet, e-mail me at shober@csus.edu

Thank You! Happy Trails To You All!

CAC EVENTS AND VOLUNTEERS

Many of you offer to help with events at Alpine Lodge every year, but we would love to have help from other members and especially new members. Helping with some aspect of an event is a great way to meet people and make new friends. We always have lots of fun. The tasks are divided into groups, so that many hands can make light work.

The chart shows the major tasks for the planned events for the next few months. We need to fill these task assignments with volunteers. It is a wonderful way to help your Club and to have a fun time working with new friends. Please contact the host or the BoD Sponsor to sign up. Contact information for BoD Sponsors is on page 2. Host information can be found on the Alpine Lodge Events and Host Calendar page or on our website under Calendar.

Website at californiaalpineclub.org MEMBERS>QUICK LINKS>CAC EVENTS shows the planning for the coming 12 to 18 months. You can see the names of other people who have signed up to help since TRAILS was published.

NEW WEATHER STATION ON MT. TAM FUNDED BY CAC FOUNDATION

Will it rain? Is it too hot to hike? It's hard to know what the weather will be on Mt. Tam if your weather app only gives you information on Mill Valley. With this in mind, the California Alpine Club Foundation has awarded a grant to the West Point Inn to purchase and install a weather station that monitors temperature, wind direction and speed, atmospheric pressure, humidity, and rainfall. The 100-year-old inn sits on the southern slope of the mountain about two miles from Alpine Lodge. The weather station data is sent to a computer onsite and then uploaded to the internet, allowing people to track weather at West Point Inn from anywhere in the world!

Besides seeing the data from West Point Inn, the weather-curious can compare the readings with other nearby weather stations to see how temperatures vary from one part of the mountain to another.

ECHO SUMMIT LODGE FALL 2016 HOST APPRECIATION AND TRAINING

Heidi and Bill Faulkner were handy in the kitchen at the October Membership Dinner

A HOWLING TASTY OCTOBER MEMBERSHIP DINNER

On Mount Tam the skies were wicked gray, the winds howled through the trees while the rain came down in sheets but inside the Alpine Lodge the aromas of burgers, brats, hot German potato salad, and smoked salmon wafted to the rafters. Chef **Ken Judy** assisted by **Heidi** and **Bill Faulkner** deftly prepared entrees of burgers, brats, black-bean burgers, salads, and pies for the October Quarterly Membership Dinner. After the Board and Membership meetings concluded, club members enjoyed a variety of hors d'oeuvres and beverages from the social table expertly staffed by **Hardy Dawainis**. While conversations flowed and members socialized, volunteers **Lutz Heinrich**, **Hildegard Wersig**, **Tony Smith**, **Shannon Fagan**, **Carroll Pearson**, **Candy Barnhill**, and several anonymous sets of helping hands quickly transformed the Great Hall into an autumn-themed dinner setting. Golden orange miniature pumpkins adorned the black lace tablecloths hinting of the upcoming All Hallows Eve. When members were seated, each person selected their

ESL Fall 2016 Host Training attendees enjoyed a memorable weekend

Cindy Toran, ESL Trustee

Every session of host appreciation and training at Echo Summit Lodge (ESL) has a special zest depending on the group attending. The November 4-6 gathering was no exception. We were fortunate to have **Jim Nixon**, former ESL Trustee and CAC President (5 years), and his delightful wife **Jan McCulloch** in the group. Other former Echo Trustees **Tom Coleman** and **Edie Nelson** rounded out the trustee mini-reunion. Current trustee **Nick Gregoratos** along with his wife and seasoned TRAILS editor **Anita Cabrera** were among the long-term CAC and ESL volunteers who helped with the training.

We rediscovered the music books that had been purchased many years ago at the recommendation of **John Hannum**, another former ESL Trustee, and had a Saturday night sing-along with **Hunter Merritt** strumming his guitar. What a treat to have such a talented musician among us! Hunter and his wife, **Lori**, also shared their summer experience of visiting ten national parks in 10 weeks with their two young children. **Craig Anderson** managed to sneak away from his active children and wife to join us just in time for the start of class on Saturday.

Other CAC members repeating training after many years were **Jo Wolf**, **Steve Cosbey** and **Tom Wold**. Jo traveled the farthest – all the way from Ventura. Thanks to Tom for saving the pancakes on Sunday morning with his knowledge of operating the griddle. I had not yet used the griddle on the still-new kitchen stove and would have burned the breakfast without his advice. Steve was able to give guidance to Nick to repair a plumbing leak in the kitchen. Nick is a quick study!

Thanks to all the graduates of the 2016 Fall Host Appreciation and Training! In addition to the veterans listed above we had the following members attending for the first time: **Mary Merconi**, **Susan Topf**, **Marcia Paulson**, **Shannon Fagan**, **Hannah Dunton**, **John Peterson**, **Mary Ann Bernard**, **Meg Rodgers**.

The Spring 2017 Host Training dates have not yet been set and will be published in a future edition of TRAILS. You too can enjoy this special weekend hosted by ESL Trustees and then move on to giving a special gift to fellow CAC members by hosting a session at Echo Summit Lodge.

personal dinner selections from menus, wrote them on their dinner place-card, and submitted their selections to one of the three maitre d's: **Susan Topf, Camille Smith-Ballon, or Mary Cosgrove**. The attentive, smiling, maitre d's quickly delivered each patron's personalized plate to them to additionally indulge in the plentiful fixings located on the individual dinner tables. After everyone had eaten their fill of pumpkin or apple pie, **Tony Smith, Tim Warden, and Jay Gustafson** coordinated the many volunteer dishwashing hands in the kitchen while Carroll coordinated operations in the Great Hall. Under dark of night, filled with plentiful food and a commitment to attend the January 21, 2017, Quarterly Membership Luncheon, dinner attendees departed for their respective homes.

Many thanks to those who donated hors d'oeuvres and/or who helped with dinner preparations and clean up operations.

CAC'S SEPTEMBER SUCCESS AT FWOC

The November TRAILS reported about four CAC members' September trip to Bainbridge Island for the 2016 Federation of Western Outdoor Clubs Conference. At that gathering, a resolution submitted by the CAC and another club was unanimously adopted by the FWOC voting delegates. Even though the resolution concerned events in California, delegates from clubs in other states recognized that public parks in all states which have concession operations may be vulnerable to the same kind of historic name hijacking that took place in Yosemite National Park earlier this year. CAC's **Ann Meneguzzi** was the primary author of this successful resolution.

On 9/21/2016 Gov. Brown signed AB2249, the Park Heritage Protection legislation that this resolution supported.

Below is the resolution as it appears in the Federation of Western Outdoor Clubs records. (It and other accepted resolutions can also be seen at: federationofwesternoutdoorclubs.org)

Federation of Western Outdoor Clubs Resolution 2016-3

Park Heritage Protection

Submitted by California Alpine Club and
California State Park Rangers Association

Background

In early 2016, a well-publicized contract dispute over usage rights to historic place names in Yosemite National Park outraged that park's visitors and fans when it led to the renaming of popular venues. Delaware North, the departing concessionaire, claimed ownership of the original names of various lodgings and retail service sites even though those facility names predated that concessionaire's 23 year presence in Yosemite NP. During its 23 years as the NPS contracted concessionaire in Yosemite, Delaware North operated various lodging and business facilities such as the Ahwahnee Hotel, Yosemite Lodge, Curry Village, and Badger Pass Ski Area.

These famous names predate Delaware North's presence as the concessionaire for visitor facilities in Yosemite. Often there has been an

historic significance to the existing and well-known names. Unknown to the NPS, Delaware North trademarked the historic names at some time during its tenure as concessionaire. When Delaware North lost the facilities operating contract to another company, it claimed to "own" the customary names and demanded to be paid \$51 million to transfer the trademark rights to the popular historical names. The NPS is seeking to have Delaware North's trademarking of the pre-existing Yosemite facility names declared void.

While this contract dispute continues to be fought in court, new signs with unfamiliar names have replaced the ones park visitors have known and used since establishment. Park visitors are confused and angered by the loss of what was there before. The popular view is that these iconic park names were hijacked and that the trademark claim is a violation of the public trust. People believe that Yosemite is a national treasure and the facilities there belong collectively to the people of the United States.

This contract dispute over Yosemite facility names has drawn attention to the importance of protecting familiar park names from being claimed by businesses contracted to provide services in parks.

Resolution

The Federation of Western Outdoor Clubs supports California Heritage Protection legislation and other measures that prohibit state park concession, contractor and others from the ability for a concessionaire or contractor to claim a trademark, copyright or other ownership interest in any name associated with a state park unit or feature.

Further Resolved: The FWOC Executive Committee is authorized to support in the name of FWOC other similar legislation, state, federal or local, that protects the iconic names associated with national, state or local parks and other protected natural and cultural sites from concession and other business entities being able to copyright or trademark these names to the exclusion of the agency owning, managing or operating these protected areas.

CAC's Voting Delegate at FWOC Conference

VOLUNTEERS MAKE OUR CLUB WHAT IT IS

Thank you to everyone who volunteers for our Club. Nothing, truly nothing, would be accomplished were it not for volunteers. Who would paint the bedrooms at our lodges, prepare meals, pick up the mail, pay bills, train others, fix leaky toilets, resupply everything, pull weeds, handle reservations, clean up, edit TRAILS, be a Sunday Innkeeper or a Hike Leader? There are hundreds of tasks necessary to keep both lodges running. The Club needs more volunteers. Check out EVENTS at ALPINE LODGE on our website (MEMBERS>QUICK LINKS>ALPINE LODGE EVENTS) or see the chart on page 5 for the CAC Calendar of Activities.

There are many ways that you can volunteer your time to help our Club. For example, you could be on a calling committee to contact members to update their information on our roster. Or you could call or email new members and welcome them to the Club. There are lots of ways to help. Can we count on you? Please contact any member of the leadership team listed on Page 2 to volunteer.
