

Alpine Lodge Sunday Hike Leader Schedule

As we reported last month, our Sunday hikes are popular and generally pretty full. The re-introduction of the post-hike social time on the back deck is also very popular. We are still working out issues around planning for these social hours and they can really only be sponsored by hikers who are host-trained for the Alpine Lodge. At this point, the requirement for wearing face masks continue if you enter the Alpine Lodge. We also have gotten more interest from members in becoming hike leaders! This is really important to give our current hike leaders a break but also allows us to develop more hiking programs. For example, there has been quite a bit of interest in having some hikes that aren't as demanding as our usual 2B's. There has also been interest in hikes around certain interests. More details to follow in the next few months.

Marabeth Grahame continues to offer a monthly hike which returns to the Homestead Valley Land Trust to explore the changes in the seasons. In November, the hike is scheduled for: Thursday 11/18/21.
