

Echo Summit Lodge End-of-Accommodation and Refund Process

Dear Member,

After you have completed your private event, please use this form letter to conclude your part of the agreement and request refund of moneys owed to you or to calculate additional money owed to the Club.

All of the blanks should have an entry (or "N/A" to signify that the requested information is not applicable to the subject rental).

Echo Summit Lodge is a facility owned by California Alpine Club. To preserve its tax-exempt status, the club must minimize income from non-members and record facility-use income. Echo Trustees have adopted procedures and this form to help the club obtain the appropriate facts.
