

Alpine Hike Leader Schedule

Luckily, we have had more rain this year than in our previous drought years, but that has put a damper on our weekly Sunday hike program. Many hikes were cancelled in December and January due to safety concerns considering weather conditions, fallen trees and branches, muddy impassible trails, and the slippery ground. However, the program continues with much interest and enthusiasm and many eager hikers await the coming of warm, sunny spring days, with anticipation of beautiful blue skies and what floral surprises await us.

We are continuously looking for more hike leaders and are in the process of forming a Hike Leader Training program. If you love Mt. Tam and wish to share your knowledge/experiences with others, please contact me (lkumataka@hotmail.com), or Rani Devadasan (Rondakaki70@gmail.com).

By popular demand, introductory hikes for new applicants and members, noted as "Welcome Hikes" below, are being scheduled once a month. We look forward to seeing you out on the trail!
